Covered repairs may be performed at Legend X, an authorized dealer, or an approved vendor. Prior written authorization is required before repairs are started.

#### 3.1 Structural Coverage (3 Years / 36,000 Miles)

- Main frame, crossmembers, railings, and structural welds.
- Structural defects in materials or workmanship under normal use within rated capacities.

#### 3.2 Component Coverage (1 Year)

- Examples may include latches, hinges, mounting brackets, and similar non-wear components.
- Normal wear items and routine adjustments are excluded (see Section 5).

#### 3.3 Third-Party Components

Certain accessories or components may carry their own manufacturer warranty. In those cases, Legend X may assist with routing the claim, but coverage and decisions are determined by the manufacturer.

## 4. Paint and Finish Coverage (1 Year)

Legend X provides a one-year limited warranty on paint and finish when the coating fails due to manufacturing defect.

### **Covered (within 1 year):**

- Peeling, flaking, or delamination of the coating not caused by chips, impacts, or abrasion.
- Blistering or bubbling caused by improper surface preparation or coating application.
- Rust forming from underneath the coating (rust-through or under-film corrosion) in areas not damaged by external impact.

### **Not covered (finish):**

- Scratches, chips, scuffs, or road rash from use, debris, tie-downs, cargo, or impact.
- Fading, chalking, gloss loss, or discoloration due to UV exposure, chemicals, salt, or environmental conditions.
- Surface rust on areas where the finish has been damaged by external causes.
- Damage due to improper cleaning, abrasive pads, pressure washing at close range, or corrosive cleaners.

Finish repairs must follow the prior-authorization process in Sections 6 and 7. Repairs performed without written approval are not eligible for reimbursement.

- Consequential costs such as downtime, loss of use, towing, storage, lodging, or lost profits.
- Transportation or delivery costs to/from a dealer, vendor, or Legend X facility unless explicitly authorized in writing.

**Warranty may be voided** by misuse, negligence, overloading, accidents, or unauthorized repair/modification.
